Re: In the Matter of The Pay Telephone Reclassification and Compensation
Provisions of the Telecommunications Act of 1996, CC Docket 96-128

Dear Ms. Dortch:

Wood County Telephone Company ("WCTC") submits this letter and accompanying certifications as record that WCTC is not a "Completing Carrier" as that term is defined in the Commission Order in CC Docket 96-128 ("Order")¹, released on October 3, 2003.

As WCTC is not a Completing Carrier nor does it handle the types of calls the Commission has specified as being subject to both compensation and reporting to Payphone Service Providers, WCTC is not subject to such requirements at this time. If WCTC's operations are altered to the extent that WCTC necessarily becomes a Completing Carrier, WCTC will fully comply with the Commission's rules pertaining to this and all other payphone compensation and reporting matters.
